When We Meet

Saturday Mornings
10:30am - 12:00pm

Classes begin mid-September and run through to the beginning of December. Classes begin again in the middle of January and continue to the beginning of April. At the end of each class a free lunch is provided to allow more opportunities for conversation.

Friendly, Helpful Instructors

***Our volunteer instructors** are all native English speakers. They come from a variety of backgrounds and enjoy working with international students.*

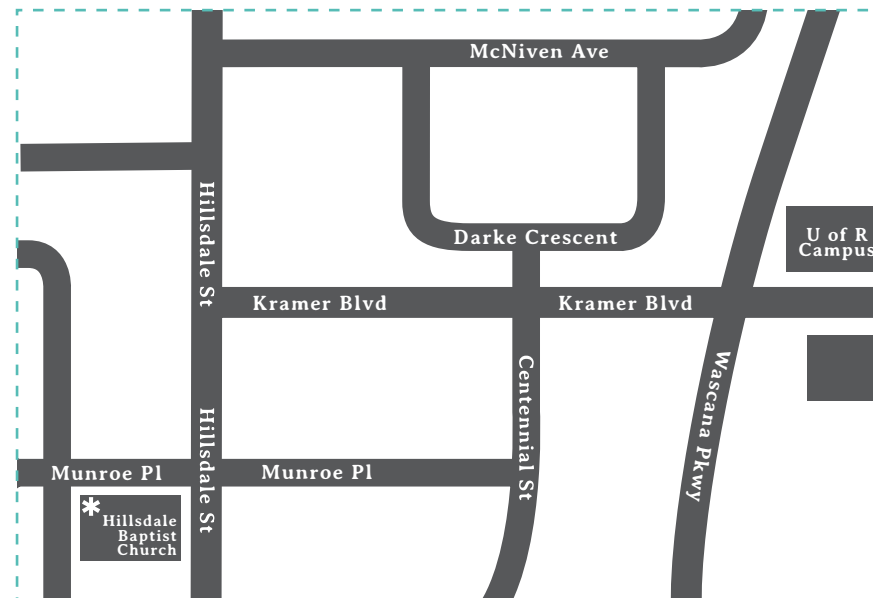

What We Do

Classes begin each week with an opening activity that introduces the topic for the day's lesson. The lessons focus on subjects that help students enjoy and get more out of their experience in Canada. Some of the lessons focus on Canadian holidays such as Thanksgiving Day, Remembrance Day and Valentine's Day. Others examine Canadian sports such as football and hockey. Every year we do a class on cooking and job interviews.

Once the opening activity has concluded, we separate into small groups for the remainder of the morning. This provides an opportunity to focus on the lesson with more personalized instruction.

We also try to have a few social activities throughout the year. We like to do things like picnics and barbeques in the summer as well as ice skating and a Christmas party in the winter.

We are Easy to Find

Hillsdale Baptist Church is located on the corner of Hillside Street & Munroe Place. Hillside Street runs north and south and is located a couple of blocks west of the University of Regina. If you are coming from the university, just walk west on Kramer Blvd. and then south on Hillside Street. You can't miss us!
