Option #1

Welcome to Hillsdale

Teacher:

Pastor Dwayne Neudorf

Location:

Upper Room

Summary:

If you have started attending Hillsdale recently (in the last year or two), we want to help you get to know us as a church and get connected. We encourage you to attend this welcome group where we will address a wide variety of frequently asked questions. Our hope is that you can become an integral part of Hillsdale and ultimately help us with what God has called us to do together.

Option #2

Armour of God

Teacher:

Pastor Shawn Ens

Location:

South Auditorium

Summary:

In His final encouragement to the Ephesians, the Apostle Paul calls believers to stand firm in the strength and might of the Lord by putting on the armour that God has provided. The importance of this command remains for followers of Jesus Christ today. In this class, we will explore the need for the armour of God and consider the ways that He equips us and protects us through it so that we can endure and fight what threatens our faith in Him.

Option #3

Friendship: God's Plan (Women's Class)

Teachers:

Amanda Anderson & Lynette Neudorf

Location:

North Auditorium

Summary:

Encouraging. Challenging. Fun. Honest. Fruitful. Authentic. Friendship is a gift that can have many faces and present a few challenges along the way. In this module, we will consider eight questions about friendship. Questions like: Is friendship biblical? Do we need friends? and What are some pitfalls we can fall prey to? In studying God's Word together to determine his plan, we will consider friendship with God first and how the fruit of that relationship overflows into our friendships, both inside and outside the church.

Option #4
